Clerk to the Council: Mrs Jill Gavin

Dear Resident and Neighbour,

NOTICE OF TEMPORARY CLOSURE OF ALFRED MAJOR RECREATION GROUND PLAY PARK

Dates of Closure:

Closes	26th of September 2022
Reopens	28th of October (weather dependent)

The play park and some parts of the Recreation Ground will be closed and fenced to allow new equipment to be installed and older equipment to be repaired and renovated. The rest of the Recreation Ground will remain open.

We encourage all Recreation Ground users to take extra care during this period as equipment, people and machinery will have to be brought to and from the work area.

We are aware this may cause inconvenience to users and neighbours but respectfully request your understanding during this short period of time.

The new equipment is the result of the consultation held in 2021, when all local primary schools children, parents and residents of Cookham were given a consultation opportunity and to help design the new park.

As part of the tendering process contractors were required to work considerate hours, manage the site safely and of course to deliver a safe and enjoyable play park.

We know parking and traffic around the Alfred Major Ground is challenging, especially in term time. The contractors will park any vehicles on the Recreation Ground in safe locations.

Major deliveries to the site will be communicated to residents potentially affected in advance by the contractor Sutcliffe Play. It is expected that the main entrance for vehicles will be via Hillcrest Avenue.

There is information on the playpark design and consultation process online at www.cookhamparishcouncil.org.uk

Questions regarding the site and work, please contact:
Sutcliffe Play Ltd: Contracts Manager 07803 430756

Date of Notice: 21st September 2022
